Dear Prof. Filippov .

On behalf of Jordan University of Science and Technology (JUST), it gives me a great pleasure to convey to you personally, and to the whole staff of Peoples' Friendship University of Russia our warmest Congratulations in the occasion of the 55th anniversary of the founding of the Peoples' Friendship University of Russia (PFUR).

As part of the global academic community, we appreciate the contribution of PFUR in the fields of Science, Technology, Arts and Humanities. Nowadays, the graduates of PFUR are spread all over the world, which shows that PFUR has a great success in the direction of internationalizing the higher education sector.

We at JUST would like to emphasis on the need to strengthen our collaboration with PFUR, by translating the already signed agreements into real programs and projects for the mutual benefits of the researchers and the students at both Universities.

Finally, I would like to wish you prosperous and fruitful efforts in leading PFUR to new horizons of successful achievements.

Sincerely Yours,

Prof. Abdallah I. Husein Malkawi
President,
Jordan University of Science and Technology
